IDPA World Championship:

Ten members from TTS went down to Florida to compete at the inaugural IDPA World Champs. The match had 22 incredible stages. This year's match included a huge number of moving targets from a single simple swinger on one stage to the stage "Shotgun" with 8 moving target, shooting a 45 ACP support hand while applying pressure to your friends GSW, and for a few of us that was a brand new experience.

Young Blair Duroy was the star performer for team TTS by staying in every stage making her hits and focusing one stage at a time. (good lesson to all of us) She took 2nd place SSP Marksman beating 10 Experts, 37 Marksman's and 19 Sharpshooters, one of the sharpshooters being her Grampa. Sorry Grampa! Good Job Blair you go girl !! Blair also got a bump to SSP Sharp Shooter.

Other Podiums:

Eric Cooper CDP Expert: 6th Place
Darrell Sells CDP Sharp Shooter: 6th Place
Deon Greenwood SSP Expert 12th Place

Given the 383 Shooters our club had great representation with good results. Many compliments were given to our team in regards to our team colors and also the way our team conducted themselves! Like I tell them every time I was not born in Texas but I got here as fast as I could!

Fall Brawl:

Lucky Number 13. Thirteen shooters from TTS went to Little Rock Arkansas to shoot FALL BRAWL. The match had 12 stages with standards that would give any normal shooter nightmares for a week. Stages was tight with many Non Threats with shooting from low cover, prone on the move and some tight tight 35 yards long shots with targets protected with true STEEL HARD cover plates..... The SO named the stage 10 and a failure, 10 and a failure. The match had a total of 240 FTN's. The great news is that we secured 8 Trophies. Chris Keller Won Division Champion in SSP..... You Rock man !

Other Podiums:

Mike Sells CDP Master: 1st Place
Zanda Gilmore ESP Novice: 1st Place
Robert Powell: SSP Sharp Shooter 3rd Place
Charla Scott: SSP Sharp Shooter 8th Place and High Lady
Dan Warner: High Distinguished Senior
Jack Davis: SSR Expert: 1st Place

JAKE FROM TOP SHOT:

After watching Jake on Top Shot quit and looking at the way he conducted himself, I came to realize, that things does not always work the way one plans it to work, and at the end it does not matter how well we shoot, as long as we are safe and having fun is what matters. When it stops being fun you need to find something else to do like mowing the lawn or painting the house! We all love this sport and having the freedom to shoot our guns in a controlled environment, with the people you enjoy spending time with is priceless. Remember this the next time you shoot a no shoot and you feel like giving up because your time was to slow! Think of some guy working in his garden!

We have a great club and a club is nothing without great members! Thank you for your contributions to make this a great club and for being great sportsmen and ladies!
