Texas State Championship Section:

Whaaaaoooo what can I say! We were treated with some amazing designs from Mike Sells. Mike truly pulled out all the stops to make sure every level of shooters was challenged to the max! Then to add on the difficulty we had gusting winds between 20-40mph Mother Nature weighing in to prove we don't always shoot under perfect conditions. The wind challenged all shooters and also all match staff, ASK ME HOW I KNOW!! At one stage I felt like MacGyver making things work with a piece of duct tape a piece of rope and some zip-ties. We had some exceptional talented shooters competing and showing their stuff! Our Club showed off with going to the podium a few times, making others feel that the match was rigged!

New Classifieds:

We had some request to run a second page with classified section. This is a new avenue for the editor (fancy name for Deon LOL) and we will give it a trial run in next month's edition. However..... all we will do is post what you send in and it will be a transaction based between buyer and seller and TTS will have no part or claim to any transaction or recourse. This is a mere service that we have for our members that would like to swap guns or sell reloading equipment. This is not open to dealerships or gun shops but between individuals. This will be like the chalk board at your local Starbucks. NOTE: This is for TTS members ONLY! See sample page..... All adds to be in by 10th of every month. Email Ads: deon@tts-idpa.com

TTS Monthly Match

I would have started with Did you get to the range Saturday and had a feeling of dejavu? For those who did not shoot the Texas State you got to see the cool work RED shirts, and then some of the stages with minor adjustments. Raymond DuRoy designed and setup a match that made people think, and move quick! It was an AWESOME match! If you look at the scores and times it testifies that our club truly possesses great talent. The scores are available online: The average points down for this match was 89.58 and the average procedural penalties was 15.04 with a total of 53 shooter competing.

*Thank you for all that has helped with the set up and tear down. Remember that with no volunteers this would not be possible. Some clubs only have 1 match a month, and therefore we must appreciate and give thanks to the people that give of their time and talents for us to enjoy an average of 5 matches per month! **THANK YOU! Board of Directors and all the Match Directors***
